14401 - S7

Splice Location: F5 - Behind Instrument Cluster on Main Bundle

195 to 14A488 Central Security Module (CSM)
195 to 14398 Battery Junction Box (BJB)
195 to Main light switch

14401 - S8

Splice Location: F8 - Left Side of I/P

16 to Ignition switch
16 to Splice 14398-S5
16 to Central Junction Box (CJB)

14401 - S9

Splice Location: B5 - Center of I/P on Main Bundle

70 to 13A409 Parking Aid Module (PAM)
70 to Restraints Control Module (RCM)
70 to Data Link Connector (DLC), OBD II
70 to 14398 ABS control module

14401 - S10

Splice Location: C8 - Left Side of I/P

3 to Multi-function switch
1393 to Instrument cluster, outboard
3 to Splice 14398-S24

14401 - S11

Splice Location: D11 - Near Steering Column Wiring Shield

511 to Brake shift module
569 to 14A583 High mounted stop lamp
511 to Multi-function switch
511 to Multi-function switch
511 to Splice 14398-S7

14401 - S12

Splice Location: B7 - Left Side of I/P

14 to Splice 14A488-S28
14 to Trailer electronic brake control module
14 to Main light switch
14 to Splice 14398-S9
14 to Main light switch
14 to Main light switch

14401 - S13

Splice Location: F6 - Left Side of I/P

1002 to Navigation head unit
1002 to Audio systems
1002 to Central Junction Box (CJB)
1002 to Splice 14A488-S40

14401 - S14

Splice Location: B5 - Near Electronic Automatic Temp Control (EATC) module T/O (C228a)

470 to (EATC) module
233 to 14398 Ambient air temperature sensor
3051 In-vehicle temperature sensor

14401 - S15

Splice Location: B4 - Center of I/P on Main Bundle

53 to Splice 14A488-S33
53 to Footwell lamp, right front
53 to Instrument cluster, inboard
53 to Footwell lamp, left front

14401 - S16

Splice Location: B6 - Behind Instrument cluster

2 to Multi-function switch
2 to Splice 14398-S23
1392 to Instrument cluster, inboard

14401 - S18

Splice Location: A3 - Center of I/P on Main Bundle

394 to 679 to Splice 14A488-S69
679 to Splice 14398-S12
679 to Audio systems
679 to Navigation head unit

14401 - S19

Splice Location: A4 - Center of I/P on Main Bundle

693 to Splice 14A488-S31
693 to Instrument cluster, outboard
693 to Data Link Connector (DLC), OBD II

Note: T/O = Take Out
