Ignition coil assembly

Buzzer

Antenna

Solenoid controlled valve or clutch solenoid

Air bag sliding contact (14A664)

Permanent magnet, one–speed–motor

Light emitting diode (LED)

Diode, current flows in direction of arrow

Permanent magnet, two–speed–motor

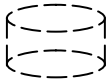
Capacitor

Transistor

Rotational sensor

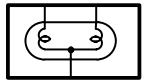
Variable capacitor

Lamp



Shield

Piezoelectric sensor



Bifilament lamp

Horn or speaker

Coil

Gauges

Fusible link
